## School Supply Donations Accepted for Area Students

*Senator Toy's "Back to School Backpack Drive" hopes to collect school supplies for students of the 6<sup>th</sup> District*

LANSING—With the new school year just around the corner, Senator Laura Toy, R-Livonia, today announced that she will be collecting donated school supplies at her District Office for local area students in what she is calling a “Back to School Backpack Drive.”

“My District Office will be collecting donations of school supplies to help students in the 6<sup>th</sup> Senate District prepare for the new school year,” Toy said. “The donations will go far to share the excitement of learning with the young students of our community, and to ensure that they have the proper tools they need to succeed in school.”

Senator Toy’s office will eagerly accept any school supplies citizens are generous enough to donate, including backpacks, notebooks, binders, crayons, pens, and pencils. Senator Toy’s District office is located at 29440 Joy Road, on the northwest corner, in Livonia, and is open weekdays from 10:00 a.m. – 2:00 p.m. If you have any questions, need directions, or need assistance delivering the supplies to the office, please call the District Office at (734) 466-4257, or the Lansing office at (517) 373-1707.
